RE: United Service Contract Group, LLC d/b/a Protect my Car or "PMC"

Dear Sirs:

Whereas, Virginia Surety Company, Inc. ("VSC") has issued a contractual liability insurance policy to PMC to insure PMC's failure to perform its obligations under such insured service contracts due to consumers who finance the retail cost of the service contract with SING for Service, LLC d/b/a MEPCO ("Debtors"); and

Whereas, MEPCO desires assurance that refunds owed to Debtors will be paid to MEPCO where Debtors have an outstanding debt with MEPCO if PMC is unable to perform its refund obligations owed to Debtors.

Now Therefore, VSC agrees as follows:

1. VSC has issued Contractual Liability Policy No. 10136 to United Service Contract Group, LLC ("PMC CL") to insure service contracts where PMC is the obligor and which service contracts have been approved by VSC ("Insured Service Contracts").
2. The PMC CL insures that Debtors can look to VSC for performance of PMC's obligations under an Insured Service Contract in the event of PMC's failure.
3. Where a Debtor has a loan outstanding with MEPCO in connection with an Insured Service Contract and is entitled to a refund of a portion of the Insured Service Contract retail price and PMC is unable to pay the Debtor the refund when due under the Insured Service Contract, VSC agrees to pay the Debtor's refund amount to MEPCO on behalf of PMC under the terms of the PMC CL.

Please let us know if we can provide any additional assistance.

Sincerely,
